

Welcome to ESU 15 Webpage

My name is Deb Goodenberger and I have taught art in our ESU area for 11 years. I am in my 3rd year with the McCook School system and currently teach 1st through 8th grade students in three school buildings. That means by the end of the year I have taught approximately 700 students.

I also am a working artist and try to find time to paint the land and scenes of southwest Nebraska. I enjoy sharing that love of “where we live” with my students.

I like being a part of NATA as it gives me a chance to communicate with great art teachers from around the state. I know that I am a better teacher because of that collaboration. I invite every art teacher in ESU 15 to contact me about joining with other art teachers from across the state and together we can create the strongest most visible art programs in southwest Nebraska.

My goal for this page is to visually link us all to current information from NATA. It will also be a way to share with others our successful lessons and achievements. I hope to give each art teacher in our ESU a chance to feature their favorite projects on this page.
