

Susan Hanson (Membership)

As of August 31, 2011, NATA has a membership of 163. The membership for 2010 was 171 so we have some work to do to catch up. Last month, there were 19 renewals and 6 new memberships. Christie Castillo includes a PDF form for membership renewal with her monthly report. I have been working with Krista Brooke, Visual Communications and Marketing Manager at NAEA to create a membership brochure for NATA. The cost is \$100 for 100 copies. In addition to the brochures, we have also received a print-ready file for future printing. There was no charge for the creation of the brochure or for the file. Krista was a delight to work with. Because she does not see the finished product, I sent her a copy for her files.
