

## Jeff & Paula Yoachim Co-treasurers

Welcome to the NATA board members page. We are Jeff and Paula Yoachim from Bellevue, NE. We are both art educators in the Omaha metro area and producing artists. We are currently serving NATA as treasurers for the 2010-2012 terms.

We see our role to NATA and our constituents being to understand and implement budget procedures and to maintain accurate records of our organizations activities. We strive to manage monthly business in a timely manner. One goal we are working on this year is keeping a watchful eye on how the investments of our funds may be allocated in order to benefit the financial growth of our organization.
